Go-Shop Period Concluded with No Superior Proposal Received, and Board Reaffirming the Value and Stakeholder Benefits of the Connecticut Water and SJW Group Merger

Companies Moving Forward to Secure Required Approvals for Planned Close During Fourth Quarter 2018

Combined Company Will Be a Leading, Pure-Play Water Company with the Scale, Management, Financial Strength and Geographic Diversity to Excel Operationally and Financially

SAN JOSE, Calif. and CLINTON, Conn. – July 20, 2018 – SJW Group (NYSE: SJW) and Connecticut Water Service, Inc. (NASDAQ: CTWS) (“Connecticut Water”) today announced that on Wednesday, July 18, 2018 they submitted a new application for the approval of their merger of equals, with the Connecticut Public Utilities Regulatory Authority (“PURA”).

“We are pleased to be moving forward with the regulatory approval process,” stated David C. Benoit, president and CEO of Connecticut Water. “We are eager to demonstrate to our regulators the clear benefits of the merger for our customers, employees and communities that can be realized through the sharing of best practices, operational expertise and resources of the combined company. Through the merger, we will have the unique benefit of being able to maintain our presence and locally-based teams of water professionals in Connecticut and Maine to deliver safe, reliable water service in our communities while being part of a larger, stronger national organization.”

In their application, the companies detail the specific benefits of the transaction and how it will serve the public interest. Among the commitments made in the application, the companies indicate that there will be no changes to customer rates nor any job cuts or employee layoffs as a result of the merger of equals. Connecticut Water Company will maintain its headquarters in Clinton, Connecticut and keep the local leadership teams and employees that have successfully delivered on commitments to service and reliability for the customers and communities served.

On June 19, 2018, the Company withdrew the application that was originally submitted to PURA as Connecticut Water conducted a go-shop process which allowed Connecticut Water to actively solicit proposals for an alternative merger, acquisition or other strategic transaction involving the Company, as authorized by a May 30, 2018 amendment to the merger agreement. The go-shop process concluded on July 14, 2018 with no superior proposal received. Both Connecticut Water and SJW boards have reaffirmed the value and benefits of the merger of Connecticut Water and SJW Group and are moving forward to seek regulatory approval from the Authority. The application is largely the same as that which was originally filed with PURA in May, with updates to reflect any SEC filings or merger related activities since that date.

Both companies’ board of directors believe that the merger of equals is a unique opportunity that will provide benefits for customers, employees and the communities they serve.

The transaction remains subject to customary closing conditions and approvals, including the approval of the issuance of shares and the adoption of the amendment to SJW's certificate of incorporation by SJW Group stockholders, the approval of the merger agreement by Connecticut Water shareholders, the approvals of the PURA and the MPUC, and pre-approvals of license transfers by the Federal Communications Commission. The application for approval is pending in Maine. On April 30, 2018, SJW Group and Connecticut Water announced that the Federal Trade Commission has granted early termination of the Hart Scott Rodino waiting period for the companies' merger of equals.
